National Treasurer Starts Home to Secure Documents to Prove His Innocence.

MACK WIRE PRESIDENT.

Denies Democracy Has Received 1 Cent from Standard, or Has a \$300,000 Fund.

The Standard Oil Company or any other corporation seeking special privilege under any money to this committee, it would be refused.

It is very evident from Mr. Roosevelt's statements that both Mr. Hitchcock and Mr. Taft have been deceived from their positions, and are no longer active factors in the campaign. Mr. Roosevelt, politically, repudiates both men.

President Roosevelt is running the campaign. He has not only assumed the place of his candidate for the Presidency, but he has also taken Mr. Hitchcock's place; the entire Republican National Committee, the board of strategy, the advisory board, and has placed himself in every other position where "Big Stick" methods rule.

A Republican Denial.

The Standard Oil Company has not contributed, either directly or indirectly, to the Republican National Campaign Fund.

Not one dollar has been received from the Standard Oil Company, either directly or indirectly, to the Republican National Campaign Fund.

Mr. Bryan's offer is in violation of the Corrupt Practices act of this State, provided the mule has any value. Section 3 of Section 4 of the Penal Code provides that any person who gives, offers or promises any bribe, place, employment or valuable thing as inducement for any voter or other person to vote or to refrain from voting, is guilty of a felony, punishable by imprisonment for not more than five years, and forfeiture of the office to which he may be elected.

William J. Bryan, in a humorous statement at Buffalo yesterday, offered to present his Democratic mule to the election district showing the largest Democratic gain at election time.
